AIS GmbH

Your authorised global Tyco Electronics HTS distribution partner

AIS GmbH is the worlds largest distributor of Tyco Electronics HTS connectors. AIS GmbH was founded over 15 years ago to distribute and customise HTS connects. Our team is well experienced in the HTS market.t We are also located very close to the Tyco Electronics engineering centre excellence for HTS design.

What we can offer you is...

- Multi language customer service (german, english, spanish)
- Quantity independent ordering (no PPQ or MOQs)
- Well maintained warehouse which ensures short lead times
- Better prices and for most parts than buying direct from Tyco Electronics
- access to Tyco Electronics GPMS for any type of requests
- Modern equipped production site with the latest CNC machinery to mill and drill enclosures from semi finished components
- Retain your customers and fulfil their needs
- Bond the customer to the Tyco Electronics brand
- Offer of "obsolete" product lines
- Low minimum order value to EU (100€)
- Payment terms 2% 14 days, net 30 days

Hotline: +49 (0) 2243 8476-10

www.Steckermarkt.de
